EXPERIENCE

Java Developer Intern

Dhwani RIS

📅 Sept 2021 – Present   📍 Gurgaon, Haryana India

- Designed and developed a user-management microservice for the department of rural development of India using java with spring boot and postgres database.
- Worked on bank loan application for Indian government using Java with spring boot ,Thymleaf and Postgres as database
- Developed and optimized database migration scripts to migrate 20 million records to completely different database structure using SQL with java batch processing and cron.
- Created APIs using nodejs for chatbot mobile application
- Delivered on all phases of Software Development Life Cycle, from requirement gathering to testing and making the product deployable, collaborating closely with team.

PROJECTS

🖥 Clothing website

- Created a fully functional backend REST API service of clothing website
- Spring security for implementing Security Layer
- Includes all features of a typical e-commerce application
- Tech Stack : Java with spring boot & MySQL Database
- Link : https://github.com/asamadk/exommerce$_{backend}$

📊 Portfolio Website

- A portfolio website showing information about a person with CRUD operation
- Admin module to insert data dynamically.
- Tech Stack : MongoDB ExpressJs ReactJs Nodejs.
- Link : https://github.com/asamadk/Portfolio

👥 Tution Management Application

- Application to manage students fees status and their batches for the reacher
- CRUD operation with Authentication and Authorization using JWT Token
- Designed database architecture and notification service
- Link : https://github.com/asamadk/ustaad

EDUCATION

B.Tech in Computer Science

Noida Institute of Engineering and Technology

July 2019 - June 2022

Greater Noida

7.4 CGPA

SKILLS

Coding

`Java 8+` `Data Structures` `Algorithms` `OOPS` `JavaScript ES6` `C++` `SQL Database Postgres & MySQL` `NoSQL Database MongoDB`

Web Development

`Spring Boot` `Spring Security` `Spring MVC & its Architecutere` `Nodejs` `Expressjs` `Reactjs` `Microservices`

ACHIEVEMENTS
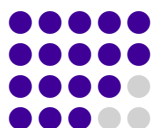

Participated in leetcode coding challange with 115540 rank

Solved over 250 question on leetcode

Provided it service to a clothing startup
